FAIRVIEW HIGH

DEDICATION

We, the staff of the 1965 WARRIOR, dedicate this yearbook to the Seniors who will be the last graduating class to walk down the solemn halls of knowledge in the building that has been Fairview High School since 1958. There is a vast amount of knowledge in these solemn halls, but they will not be tossed about and forgotten, for Fairview High will become Farmer Elementary next year and the knowledge stored in these halls will once more begin to give students the key they need to success--Education.

SENIOR SNAPS

"Let's see, where was I????"

"Look out! Terry's after some-one."

A happy couple

"That dang key is stuck again!!!"

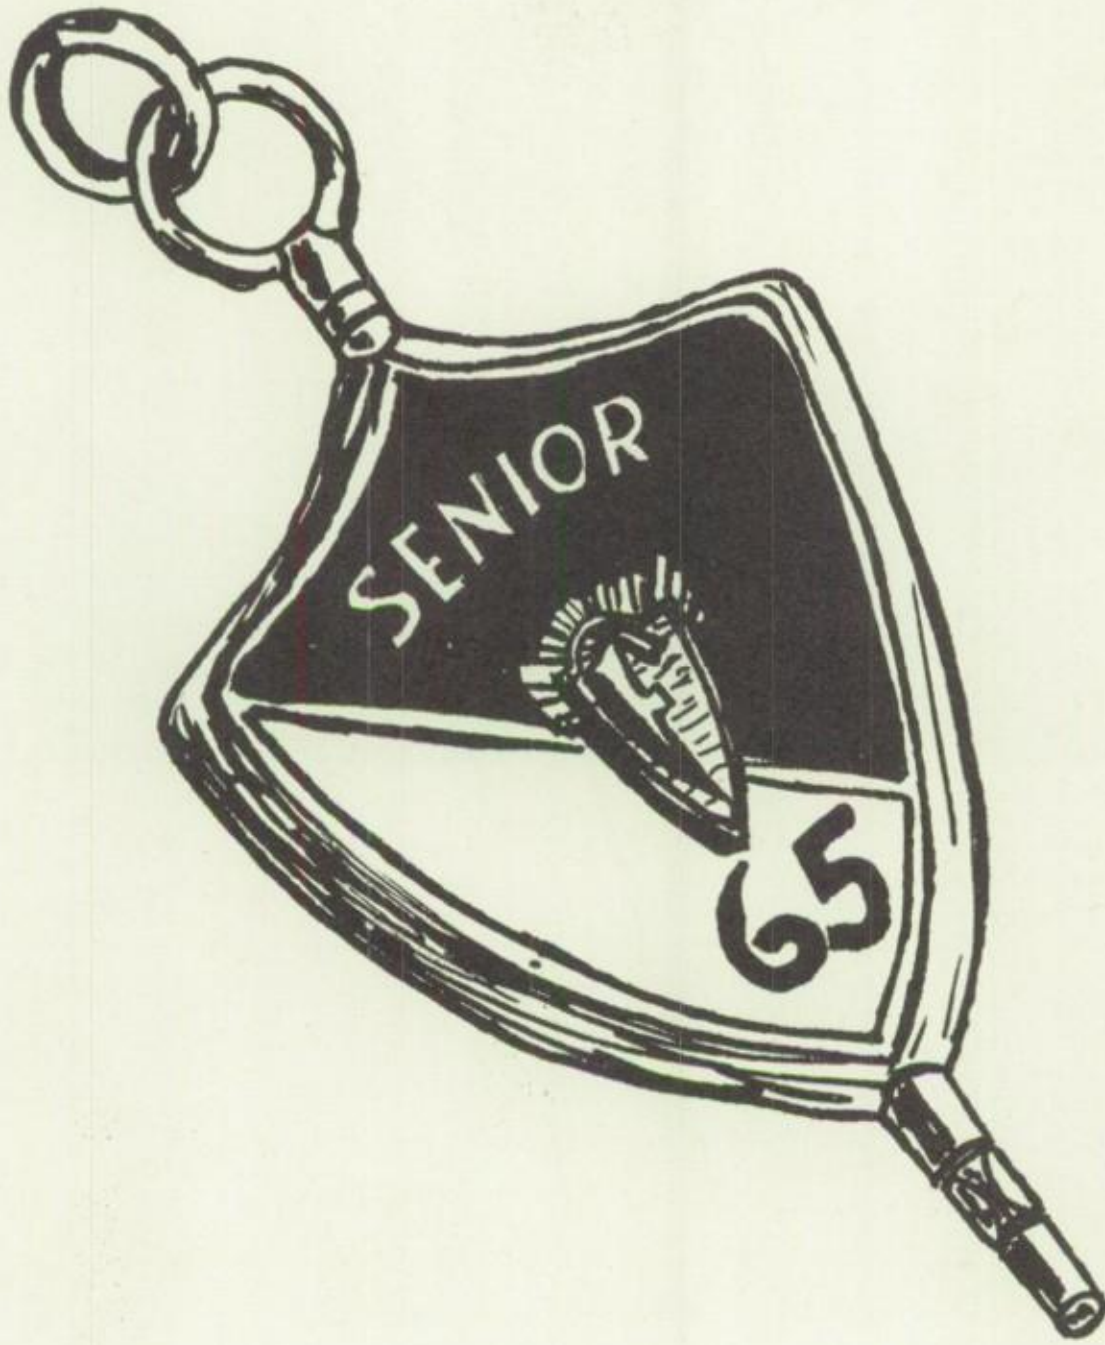

A few happy-go-lucky seniors.

CLASS PROPHECY

May 23, 1980

Dear Faculty Members of Fairview High School:

The purpose of this letter is to inform you of the splendid job you did in teaching that wonderful graduating Class of 1965.

Marti and I toured the universe in search of our dear classmates. We first visited Cleveland to attend the last game of the World Series. What a wonderful game! LONNIE WILLIAMS'S Indians defeated STEVE CLARK'S Yankees 15 to 14 in the top of the ninth inning. Umpire RON BAERLIN said it was the most difficult game he had ever called.

Speaking of sports, are any of you going to the Indianapolis 500 this year? Our classmates DON BLOSSER, LARRY SONNER, and JOHN BEATTIE are battling it out in the time trials for the pole position. RANDY CURTIS is the official time-keeper. FRED BERGMAN, last year's winner, will present the trophy.

Next we boarded the "Lightning Express" engineered by RICHARD SALISBURY! We soon found ourselves in the "Windy City," where we visited the offices of DR. SKIP FIGGINS. His receptionist JANICE REINHART said he was performing a DeVillo operation on professional beatnik JEFF FABIAN. Nurses SANDY BONFIGLIO and BARB BATT were assisting him. It seems that FREDA SINGER and HARRIET OSKEY were unable to help in the operation. They were spending their vacations in Florida with nurses GEORGIANNA MOWAT and JUDY PERRIN. These last four dedicated RN's were giving their talents helping veterinarians treat alligators for Strep throat. Practical nurses MARY SANCHEZ and NORMA MICHAEL were also aiding in this mission of mercy.

Did you read about the special committee U.S. President MARY HELLER formed? It deals with problems of bridge building on the Moon. We understand that Secretary of Agriculture TERRY FREEMAN joined forces with Secretary of Interspace Affairs MARY WILHELM against Chief Justice PAUL BOK and Ohio Representative BOB HASCH in the air-bridge controversy. The air-bridge was designed by DICK SCHROEDER, ART BAERLIN, and SCOTT LANGDON. We didn't understand what the difficulty was. Press Secretary JOYCE SHEPHERD wasn't giving too many details.

Of course, you know that SHIRLEY STRUBLE is tutoring William Woods's son, Sean, in Advanced Mathematics.

DAVID GUILFORD, professor at Princeton, recently wrote a thrilling historical novel called THE RISE AND FALL OF THE BOUNDING MAIN. It is the true story of New York's water lines. JoANNE WESTRICK, head librarian at Ohio State, gave Marti an autographed copy of this book.

MARSHA SMITH wrote last week. She enjoys her position as first woman president of Harvard University. She met with Yale President BRUCE DRUM to discuss the annual Snipe Hunt, sponsored by the two schools.

We next drove to Washington, D.C., and visited Admirals GEORGE FONT and ROBERT NAILOR, at the Pentagon. They took us out to lunch and to the new movie "Prudence," starring RUTH PEOPLES and SUE HAHN.

We next visited DARVIN SCHROEDER'S DENTAL CLINIC. We found LINDA WALLACE taking a breather. She had just helped ELAYNE THOMAS tie Dean Edwards in the chair, so Darwin could x-ray his six-year molars.

We also spent a week camping in Yellowstone National Park. GENE SCHUBERT, head forest ranger, introduced us to his pet--George the Giraffe. He uses George as a watch tower.

Guess who we saw at the park! KAREN ELSER SHEETS. Karen was modeling JIM PERRIN'S latest fashions. Jim is the co-owner of Paris School of Models and Fashion Design.

After our camping expedition, we flew to Hawaii on DAN ENGLISH'S Pan-Eastern Airlines. GOERGE WINNIE was our pilot and CHRIS KARACSON was our hostess. We stayed at the Hawaii Kai. Those international playboys STEVE SPROW and STEVE TOMLINSON took us to lunch. LARRY VOGELSONG and PAT DIMOCK appeared in separate acts. Pat sang her rendition of "Blue Hawaii." Larry thrilled the crowd with his beautiful guitar number--the "Hawaiian Wedding Song."

Later in the afternoon, we went to the beach and watched Olympic Champion DENNY CARYER practice the shot put.

BRIDGET GASTON and JAMES HALL had recently opened a dance studio featuring the Hula.

Next we visited the business offices of JERRY SAYLOR'S Skate Keys Amalgamated. BECKI WOLF, his private secretary, gave us a tour of the establishment.

We left Honolulu aboard the USS Mark IV, a luxury liner, designed by MARK BADEN. JON FABIAN was the captain and EFRAIN MAGALLAN was the navigator. BONNIE BAKER and CHARLENE BROWN were the recreation directors.

Bonnie had seen BRENDA GOWINS in Tahiti. The natives worship Brenda as a goddess because of her lovely red hair. She has hired a group of hairdressers to keep her locks lovely. This group includes JEAN AND JANE BRYAN.

By the way, DIANE JOOST and BETTY SMITH are also beauticians. In fact, they both won awards for creating hair styles for teenage America.

Marti and I arrived in the Phillipines early in the morning, where we received a most gracious welcome from President BILL BAUER and Vice-President BERT FREEMAN. Secretary of Welcome LYDIA DELAGRANGE ordered breakfast from EDDIE ELLIOTT'S catering service, and made reservations for us to stay in DEAN WINE-WINELAND'S Holiday Inn.

That afternoon we toured JOHN HUTCHIN'S Zoological Gardens. Our guide on this outing was JUNE HAVER.

We saw the new zeraffe (a cross between a zebra and giraffe) born in the laboratories of LARRY JOOST.

After our visit to the zoo, we attended a wrestling match where LARRY "BONE-CRUNCHER" MCGILL defended his world champion title against LARRY "MAULER" BYERS.

PHIL THOMAS was in charge of the concession stand, which featured DIANE HAGEMAN'S "Stomped Snake Burgers."

We saw KATHLEEN TAGGART at the match in a luxurious pink mink from Zeedyk's Furriers, Inc.--LOREN ZEEDYK, President.

The next morning we visited BRUCE ZEISSIG'S Aquatic Pig Ranch, where we watched the piglets bathing in the heated pools. RAY SMITH, the foreman, says it takes two days to teach the piglets the dog paddle.

GARY KITTLE, buyer for GARY BRYSON'S "Hammie Dream" meat packing firm, was in the act of purchasing 600 head of prime porkers.

It was interesting to hear auctioneer PAUL HULL'S chant, as he wrung top price from the bidders. O'QUINN HAYES, the clerk, had trouble placing all the money in the cash box.

JIM EBERSOLE was also placing bids as representative of HOWARD ESTER'S 10,000 acre agrindustry.

Marti and I spent two days shopping in Judi's Dress Salon, owned by JUDY ROSS. Many of her dressed were designed by DIANNA REED and MARJORIE MISSLER.

We took a ride in a new Saturn III, owned by JOHN EWERS. This super sports car is the brain-child of TRACY HAMMOND.

We were dinner guests at BARBARA BUCKELMAN'S palatial home, where ambassador to the Island RUTH WALKER also dined. We later flew to New York in Barb's private jet to see LINDA TOWNSEND star in the Broadway hit "Louise and Clark."

Oh, yes, we forgot to mention that MARY SCHLIESSER is now the private secretary of PAUL NUSBAUM, leader of the new singing sensations "The Termites."

Maybe you're wondering how Marti and I could afford this grand tour. We simply procured a loan from LOUIS SHININGER'S House of Loans, where JUDY PAXTON is head teller.

Who would have believed that the Class of '65 would have become so prominent on the world scene?

Sincerely yours,
Marti & Lee

They ended the year by holding a special Senior Recognition Night.

Seven members, one chapter mother, and the adviser attended the State FHA convention on April 2-3, on the Ohio State University campus. Becoming the fourth member of the chapter to receive the award, Diane Hageman received the FHA State Homemaker Degree. The Fairview chapter also received the Award of Merit.

Various projects were encountered. The organization of a sign fund with the help of the Student Council was one such project. As in the past years, they also sent treats to the Good Samaritan School, monitored the halls, and copied school records. They also were in charge of the Christmas Assembly, the Easter Program, and the Spring Coronation and Dance; they ushered at the Chorus Spring Program.

Mr. Leighton Fritz was the adviser.

The F.T.A. also discovered that selling Fairview sweatshirts was quite profitable. On April 24 several of the members went on a bus trip to Findlay College. This was educational as well as entertaining. Mr. Woods served as the adviser.

The Fairview chapter of Future Farmers of America is an organization to promote leadership and knowledge in farming and agriculture. The boys learn the latest techniques and methods in good agricultural occupations.

As community projects the members sold slow moving vehicle signs, took a survey on a vocational school, and collected money for the Christian Rural Overseas Program. For their money making projects the boys sold everything from tools to toothbrushes. They had a skating party and harvested the corn and stalks from a four acre field for the Ohio Experiment Station at Wooster to develop corn resistant to the corn bore.

The parliamentary procedure team again won a gold rating for the seventh consecutive year in county competition. Willie Singer won a gold medal in the extemporaneous division of the district public speaking contest.

Some of the programs at meetings included representative from Eckert Packing Company, Bob Hine, and Defiance County Sheriff, Doug Ziegler, as speakers and a film on Ohio conservation.

The 1964-65 Chapter Queen, chosen by the members, was Betty Smith. She was presented with the white Chapter Queen jacket with the FFA emblem on it.

This year responsibilities of the Student Council included taking charge of its fall record hop, the Thanksgiving Program, and the Christmas Dance.

The members of the Student Council worked as guides for Career Day and Visitation Week. The organization also had the ever-difficult task of helping choose cheerleaders. The Student Council had a special project this year. They worked with the National Honor Society in promoting the sign project. To earn their share of the money, the Council sold sweatshirts.

G.A.A. started the new year by welcoming their new adviser, Mrs. Squire, from De-fiance. They got off to a roaring start by sponsoring a record hop at Sherwood. Soft-ball finished out the fall months.

During the winter their activity was basketball, and Varsity and Reserve teams were organized. With Mrs. Squire as coach, the teams were undefeated.

In the spring, volleyball was the next sport. Varsity and Reserve teams were also organized.

G.A.A. took a hike to Bryan on May 15. When they reached their destination, they had a picnic. They held a bake sale at Sherwood and Ney to raise money for the Sign Fund.

By participating in all G.A.A. activities, girls earned points for their class awards.

The Pep Club members did quite a bit to get the points they needed. They sold programs at the games, made posters to cheer the boys on, attended the mass meetings, and tried to get their parents to drive to all the games. Mary Heller was the member with the highest number of points. She had 93 points. The top forty members received awards. If you didn't get an award, don't give up. Join next year and work to get that award.

The Office Practice Class has once again produced a fine War Whoop and a memorial Warrior.

The Editor, Jean Bryan, and her assistant, Linda Wallace, worked hard to direct the activities of this paper. With the help of the Office Practice Class and thirteen reporters, they succeeded in producing nine really fine, informative issues.

Betty Smith, Editor, and Jane Bryan, Assistant Editor, worked many, long hours planning the Warrior. JoAnne Westrick and her assistant, Becki Wolf, were the business managers of the book.

All of us from the Office Practice Class hope you have enjoyed our efforts in producing this year's Warrior and War Whoop.

ACTIVITIES

FAIRVIEW BAND

"AND THE BAND PLAYED ON"

The FAIRVIEW HIGH SCHOOL BAND started off the 64-65 season with the Defiance Homecoming and Halloween Parades. The band provided music and entertainment for the Mark Center Homecoming and gave a short concert for the Thanksgiving Program at Fairview.

A number of band members entered the solo and ensemble contest at Bowling Green and the band entered two weeks later and received a very good rating. Those entering the first contest were as follows:

Eddie Clinker and Lynn Bergman, who received excellent ratings in Class A.

Pat Wild and Nick Kozumplik also entered Class A solos and received good ratings.

The Brass Sextet composed of Lura Bauer, Linda Sprow, Eddie Clinker, Pat Wild, Diane Joost, and Bruce Drum received a good rating in Class A competition.

In Class B Lura Bauer and Nancy Allshouse received excellent ratings and the Clarinet Quartet composed of Marsha Smith, Harriet Oskey, Sue Mast, and Nancy Allshouse received a superior rating.

The Spring Concert was given the latter part of April. Our thirteen seniors presented an ensemble number for Commencement and the band played the traditional "Pomp and Circumstance" for the combined Baccalaureate and Commencement exercises on May 23. We closed our season with Memorial Day Parades at Sherwood, Farmer, and Williams Center.

MAJORETTES

The following band members were chosen to attend the Mid-West Band Clinic at the Sherman House in Chicago: Eddie Clinker, Linda Sprow, Sue Mast, and Nick Kozumplik. The trip was sponsored by the Central Local Band Boosters, Pat Wild, Barbara Batt, and Lura Bauer made their second trip to the clinic by paying their own expenses.

FAIRVIEW DANCE & STAGE BAND

VOCALIST

The Fairview Dance and Stage Band had their busiest season so far. In addition to providing music for both plays, they presented stage shows for the Soil Conservation Banquet at Pulaski, the Ney Co-op Banquet, the Athletic Banquet, and the Farm Bureau Banquet at Sherwood. Dance music was provided for the Music B Booster Dance, the Eighth grade dance, and the Jr.-Sr. Proms at Edgerton and Tinora.

PEP BAND

The Pep Band provided music for the Sherwood games. The basketball boys requested "Sweet Georgia Brown" for their warm-up period and the cheerleaders worked out a routine for this number and also for a new fight song "Put your War Paint On."

"Let There Be Music" and there was--music to fill all the corners of the music room.

September was spent in getting acquainted with new music and a new vocal teacher.

The National Honor Society Initiation Program in October "initiated" the chorus in its first appearance with two numbers.

A Thanksgiving tribute "From Sea to Shining Sea" rang out with the joining of both chorus and band. Several members did extra duty by singing for a Thanksgiving Service at Sherwood.

"Silver Bells" and "White Christmas" echoed forth as Christmas drew near. A jolly ho-ho-ho and jingle bells found the children at The Defiance County Children's Home receptive to a caroling and gift party provided by the chorus.

The chorus sang for the Bus Drivers' Banquet at Sherwood, helping to honor these men.

The first and second grade joined the ranks and helped to provide a varied Christmas program on December 22.

Christmas vacation came and went, and January and February weren't long enough to prepare for solo and ensemble competition. The Ohio Music Education Association, District I, held the annual Solo and Ensemble contests at Bowling Green State University on Saturday, March 6.

Excellent ratings were received by: Bruce Drum, Bass; Becki Wolf, Alto; Kathy Strait, Mezzo-Soprano; Senior Girls' Trio: Pat Dimock, Diane Joost, Freda Singer; Junior Girls' Ensemble: Kay Forrest, Gloria Suffel, Pat Musselman, Pat Thomas, Charity Townsend, Toni Swaninger, Cheryl Higley, Tamara Sigg, Bonnie Kinney.

Good ratings: Kay Forrest, Soprano; and Robert Nailor, Tenor.

The first moneymaking project was a St. Patrick Day's record hop held on March 13 at Mark Center. As extra entertainment Becki Wolf sang (accompanied by Bruce Drum); John Morrison played the accordion; Karen and Sharen Schulte (guests from Bryan Junior High) sang an original pop tune; the Emergency Doors performed--Skip Figgins, Jeff Fabian, Scott Langdon, Jim Gaston.

The chorus journeyed to Bowling Green for the annual District I competition and came back with a good rating.

March 26, and it was Spring--not really--only by the calendar, but the chorus presented "Sounds of Music," their spring concert--spirituals, novelty numbers, sacred numbers, two selections from "South Pacific" and two from "Sound of Music" concluded the program.

The Junior High presented part of the concert under the direction of Mrs. Koeppe.

The hectic month of March passed, and April was a month to take account of what had been done. On April 15, two numbers, "Were You There" and "Ye Watchers and Ye Holy Ones," were ready for the Easter assembly.

May 2-9, Ney, Sherwood, and Mark Center were visited to recognize National Music Week and to recruit new members for next year.

The annual social event of the year, the chorus picnic, May 12, was held at Ney Recreation Park. There was plenty of food, fun, and freezing!?!?!

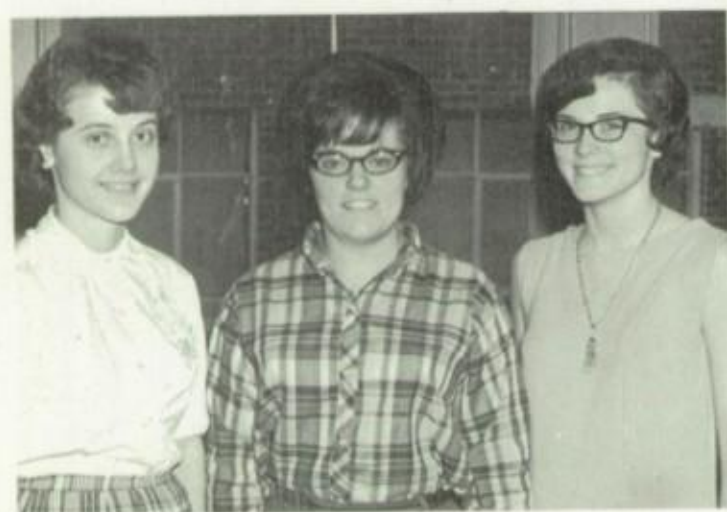

School's almost out, but there's still work to be done--several freshmen braved the Junior High Competition, May 15, at Toledo--John Morrison, David Wild, Peggy Poulson, George Nailor.

The Senior members met for the last few times--getting ready to represent their class musically at graduation.

DRAMA

The drama class started the year's activities by involving everyone in the Drama Festival, a showing of three one-act plays, on October 16.

The curtain-opener *NOBODY SLEEPS*, a comedy by Guernsey LePelley, kept the audience awake and laughing as Larry McGill played Spike, an unconvincing burglar who had to cope with the nutty Busby family consisting of Sue Hahn as Mrs. Busby, Pat Musselman as Daisy, Wendy Edwards as Ada, and Ruth Peoples as Glory.

Changing the mood to mysterious was *THE MONKEY'S PAW*, the classic chiller by W. W. Jacobs. In this play the audience had to decide whether the monkey's paw contained magical powers or whether the circumstances surrounding a death were coincidental. The roles in this play involved Randy Curtis as Sgt. Morris, Marsha Smith as Mrs. White, Steve Sprow as Mr. White, Steve Tomlinson as Herbert White, and Jim Baker as Mr. Sampson.

The last presentation found the cast in a colorful array of court costumes of A. A. Milne's *THE UGLY DUCKLING*. The always-popular "Prince-meets-Princess-and-they-live-happily-ever-after" theme had complications in this play but prevailed when Princess Camilla (Shirley Struble) married Prince Simon (Ross Boland). The relieved parents were the King (Louis Shining) and Queen (Sandi Koch). Others darkening the plot were the Chancellor (Eddie Clinker), Dulcibella (Brenda Gowins), and Carlo (Jim Baker).

In November the *NOBODY SLEEPS* cast became a traveling road company when they staged a performance for the Couples' Club of the St. Paul Methodist Church in Defiance.

Coping with "disease" adolescence in the 3-act play *GROWING PAINS* by Aurania Rouverol kept the class hopping during rehearsals for the Spring production on March 19, 1965. The amusing situations revolved around the MacIntyre family, with Eddie Clinker as the Professor, Sue Hahn as Mrs. MacIntyre, Shirley Struble as their daughter and Larry McGill as son George.

The other characters contributing to the comedy (and tragedy) were Sophie (Wendy Edwards), Mrs. Patterson (*Mary Heller), Elsie Patterson (Marsha Smith), Traffic Officer (Ross Boland), and all the teenage friends of the family. Those friends included Dutch (Randy Curtis), Brian (Steve Tomlinson), Hal (Steve Sprow), Pete (Jim Baker), Jane (Pat Musselman), Patty (Brenda Gowins), Miriam (*Jan Mosier), Prudence Darling (Ruth Peoples), and Vivian (*Linda Townsend). Extras were *Dan English, *Myra Grandey, *Lonnie Williams, *Cheryll Higley, *Bruce Mohley.

The setting featured a patio and was constructed and painted under the direction of *Ed Westrick. The director was Mrs. Mallott and the student director was Ruth Peoples.

BASEBALL DISTRICT CHAMPS

ROW 1: Dan English, Dan Bashor, Rick Renollet, Dean Caryer, John Guilford, Howard Ester, Jim Phillips.
ROW 2: Howard Miller (COACH), Bruce Mohley, John Chafin, Denny Guilford, Paul Schubert, Lonnie Williams, Terry Jackman, Steve Hall, James Dalton (manager).

FALL BASEBALL

Fairview's fall baseball squad was very little action with several rainouts cutting the schedule to a mere two games.

Fairview 1--Ayersville 0

A two-hit pitching masterpiece by senior Lonnie Williams grounded the Pilots. Rick Renollet received credit for a run-batted-in when he walked with the bases loaded to score Terry Jackman who had singled. John Moog was the losing hurler.

Fairview 13--Edgerton 5

The Apaches blasted out ten base hits to smother the Bulldogs. Denny Guilford led the assault with a triple and a single while John Goller, Lon Williams, and Howard Ester chipped in with two singles apiece. Williams hurled four scoreless frames to gain the victory, and Bruce Mohley finished up.

SPRING BASEBALL

The Apaches continued their winning ways with an over-all Spring record of 13 victories and 4 defeats. Only a letdown in league competition spoiled what otherwise was a tremendously successful baseball year. In tournament play, the local nine advanced further than any team in Fairview history with 5 victories. The Apaches were finally ousted in the Semi-finals of the regional tournament, losing to a talented Spencerville squad by a 7 to 5 score. In league play, Fairview's final slate showed 3 victories and 2 defeats which put them in 3rd place in the standings of the Green Meadows Conference. An ankle injury to John Goller in the third game of the season sidelined him for much of the remainder of the year and hurt Fairview's batting punch somewhat.

Fairview 4--Ridgeville 3

Terry Jackman gained a pitching win and also batted in the winning run in the fifth inning in a very tight ball game. Williams, Mohley, Jackman, and Dick Schroeder all combined in a four-hit pitching effort.

Fairview 5--Tinora 4

A two-out throwing error allowed the tying Apache run in the seventh inning and opened the door for an eight-inning victory. John Chafin singled, stole second, and came in on an error by the Ram pitcher in the top of eighth. Williams pitched four-hit ball for seven innings and Mohley got the side out 1-2-3 in the eighth to preserve the win.

Fairview 4--Deshler 1

Williams and Mohley combined in a two-hitter over a strong Deshler outfit. Lonnie struck out nine in five innings, and Bruce added three more whiffs to baffle the Pirates. The Apaches garnered five base knocks and were helped with seven walks.

Fairview 7--Ayersville 10

The Pilots jumped on Williams for ten hits in the first four innings and were aided by some shoddy Fairview fielding to score all their runs in four frames. Five singles and two bases on balls resulted in five runs for the Apaches in the fifth but the damage was done. This ruined the Fairview league record at 1-1.

Fairview 6--Florida 2

In the opening game of the sectional tourney at Ayersville, the Apaches backed up a one-hit pitching effort by Lon Williams with an eight-hit attack of their own for an easy triumph. Two hits each by Williams and Terry Jackman were instrumental in Fairview's scoring and John Goller's pinch single batted in two runs.

Fairview 19--Edgerton 3

Dan English and Lon Williams blasted homeruns in an attack that featured ten hits and eleven bases-on-balls. English added a single and Howard Ester singled twice to lead the Apaches. Bruce Mohley and Terry Jackman worked on the mound.

Fairview 10--Continental 7

Fairview gained the finals of the sectional tourney with a one sided victory over the Pirates. Only a five-run rally in the seventh inning closed the gap for Continental, but Williams shut the door with the tying run at the plate. Two hits each by Williams and Howard Ester and some costly Pirate errors helped the Apaches to victory.

Fairview 3--Bryan 3

Rain halted the game after four innings with the score tied. Bruce Mohley held the hard-hitting Bears to three hits while Williams, Dean Caryer, and Dan English were getting base hits for Fairview.

Fairview 7--Hogate 0

A masterful two-hitter spun by Lon Williams handed Fairview the sectional baseball crown. The Apaches scored three runs in the first inning on some strong base running by John Guilford and Jim Phillips and good bunting by Ester and Mohley. Three runs in the seventh put icing on the cake.

Fairview 1--Paulding 4

Jim Rosselt, Paulding right hander, completely handcuffed the Apaches in a league contest. Dean Caryer belted a single and a double as Fairview could muster just six safeties. Bruce Mohley was the losing pitcher.

Fairview 3--Crestview 1

A single by Jim Phillips and Lon Williams' double broke a 1-1 tie in the sixth inning and the Apaches went on for a hard-fought victory. Williams hurled a four-hitter and led the offense with two hits in notching the District tournament win.

Fairview 14--Stryker 1

The Apache offense exploded for ten runs in the third inning to sew up the District Championship. Six Fairview hits and four Stryker errors contributed to the big inning. Bruce Mohley pitched four innings and allowed only one run and three hits to gain the victory. Dennis Guilford, Lon Williams, Terry Jackman, John Guilford, and Dan English all garnered two hits.

Fairview 7--Stryker 2

Dick Schroeder limited the Panthers to three hits in six innings for his first win of the season. John Chafin belted a triple and single to pace the hitters.

Fairview 11--Hicksville 4

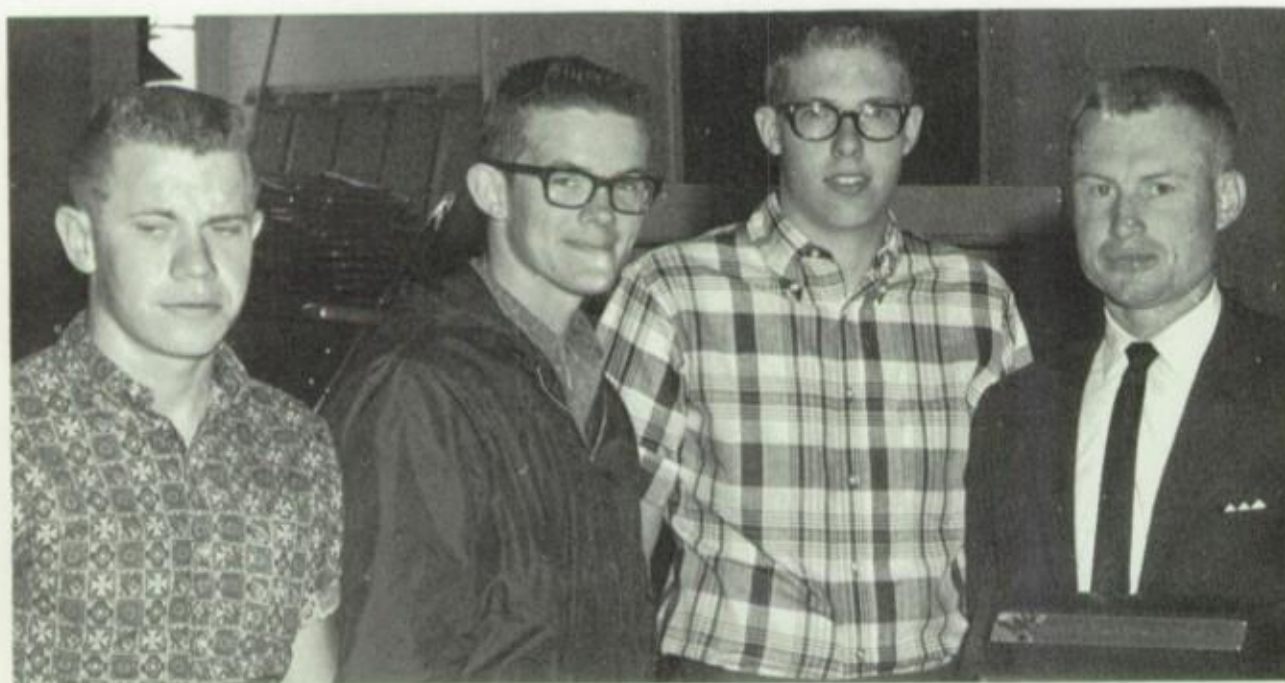

The Apaches scored eight runs in the first two innings for an easy triumph. Bruce Mohley gained the win in relief. Howard Ester laced three singles pacing the local nine to its second league triumph.

Fairview 11--Oakwood 2

Terry Jackman blasted a three-base hit with the bases full in the first inning to send the Apaches off and running to their third league win. He also pitched five innings of six-hit ball to win his second game. Caryer, Williams, Ester, Jackman, and John Guilford collected two hits apiece.

Fairview 5--Spencerville 7

Fairview made a strong showing in the Regional Tourney but was ousted by a hard-hitting Spencerville crew. The Bearcats scored two in the first inning, but Lon Williams blasted a two-run triple and came home on an error to put the Apaches ahead in the bottom of the first. Spencerville added two runs in the third to take the lead for good. Williams and Caryer led the Apache offense and Williams took the loss on the rebound giving up eight hits.

Mr. Howard Miller receives his plaque from the "greatest coach."

FRESHMAN BASKETBALL TEAM

ROW 1: Maury Sims, Mike Clark, Kenneth Cline, Don Bashor, Bob Brenner, Mr. Ward Fritz (Coach). ROW 2: Larry Mangel, Gary Mavis, David Wild, Dick Ross, Mike Mosier, John Morrison.

The Apache Frosh won 4 games while losing 12. It's a good thing Paulding was in the league. Three of the victories were scored over the Panthers while Edgerton was the other victory. Fairview was tourney runner-up. It looked for a moment as though they might win it all as they led Oakwood 9 points at halftime. However, Dick Ross fouled out and the roof caved in. This young team contains several potentially fine players. Ross, David Wild, and Mike Mosier look like fine prospects. Several of the little guards (if they grow) including Gary Mavis, Larry Mangel, and Bob Brenner have some good moves plus loads of desire.

RESERVE BASKETBALL TEAM

ROW 1: Rick Renollet, Jim Phillips, Tim Peters, Denny Guilford, Bruce Mohley, Terry Jackman, Jerry Funk. ROW 2: Dan Bashor (manager), Noel Heisler, Paul Winnie, Paul Schubert, Willie Singer, Steve Hall, Jay Mosier.

The Fairview Apaches' Reserve basketball team had a very successful season in 1964-65. They had a won-loss record of 14 and 6. They played inspired basketball all season long. They scored 969 points for a 48.5 point average per game. Their opponents averaged 43.5 points per game. Next year they expect to improve greatly on offense and defense. The team was well balanced in scoring with five boys averaging 8 points or better. They out-rebounded all but four of the teams they played.

There is a lot of ability and desire in this group of athletes. With a lot of practice, desire, team work, and determination, varsity basketball looks very promising.

VARSITY CHEERLEADERS

ROW 1: Jim Dalton (Manager), Howard Ester, Steve Clark, Lonnie Williams, John Goller, Dan English. ROW 2: Mr. Miller (coach), Willie Singer, Gene Schubert, Scott Langdon, Jerry Lemons, Dick Schroeder, Doug Hohenberger, Mr. Deitrick.

Pat Wild--Apaches Mascot

Lonnie Williams was high scorer with 14.5 points per game. Dick Schroeder was second with 12.6 points, and Gene Schubert third with 11 points.

The leading rebounder was Gene Schubert with 198 rebounds; Dick Schroeder was second with 197.

Dan English had the most assists with 94.

Total team rebounds were 825, an average of 39 per game.

The Apaches had an overall season record of 9 wins and 12 losses. We lost to Holgate on the first game of the sectional tournament.

BASKETBALL

FAIRVIEW 72--EDGERTON 52

Williams, Ester, and Schubert led the balanced scoring attack that dumped the Edgerton Bulldogs. The Apaches led all the way and outscored the Bulldogs in every stanza but the fourth for win number one.

FAIRVIEW 75--ANTWERP 78

Rick Schilb sent the Apaches reeling to their first defeat almost single-handedly as he clicked for 27 big points. Lon Williams was the big gun for the Apaches as he dumped in 27 markers to tie for game honors. Lemons and Goller contributed 12 and 10 points respectively.

FAIRVIEW 83--NAPOLEON 79

A last minute lay-up by Lon Williams enabled the Apaches to win a real thriller from the very tall and very tough Wildcats. Schroeder led the balanced scoring with 21, while Williams, English, Schubert, Ester, and Goller followed with 17, 13, 11, 10, and 9 respectively.

FAIRVIEW 55--AYERSVILLE 72

A disastrous fourth quarter enabled the Pilots to overcome a 46-43 Apache lead after three stanzas. A total collapse with three minutes left was the reason for the second defeat in four tries for the Apaches. Williams, Schubert, and Ester set the pace with 15, 13, and 9 tallies respectively.

FAIRVIEW 63--STRYKER 62

Lon Williams shot the Apaches past Stryker for their third victim of the year with 28 big tallies. Williams' 22 first-half points led the Apaches to a 10-point half-time lead, which they held on to for a real big win. Dick Schroeder dumped in 16 to aid the Apache cause.

FAIRVIEW 77--WAUSEON 93

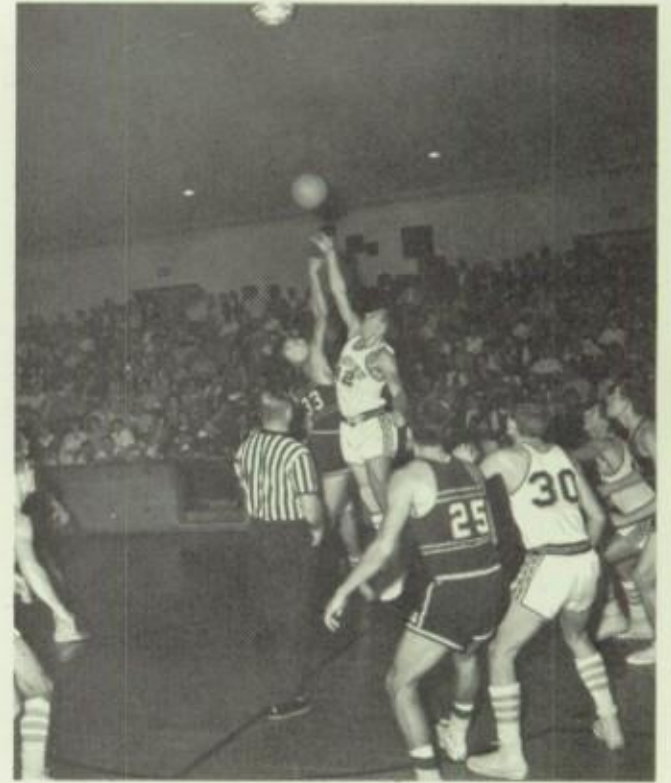

The Apaches couldn't hang on to a slim 18-16 first quarter lead. The Wauseon Indians weren't about to smoke the peace pipe yet, as they started the second quarter by dumping in a 4 quick buckets. From here on they ran the Apaches right off the floor. Williams and Schubert made all the noise with 12 and 13 tallies.

FAIRVIEW 64--PAULDING 80

Poor second and third quarters led to the Apaches fourth loss. Williams with 20 and Schroeder with 19 put on a good show, but this wasn't enough to pin a loss on the soon-to-be conference champion Panthers.

FAIRVIEW 65--OTTAWA-GLANDORF 83

Too much Tom Heckman, who dumped in 33 tallies, spoiled a well-played game by the Apaches. A fine scoring attack led by English, Williams, and Schroeder with 12, 12, and 11 points respectively was overshadowed by the brilliant all-stater from Putnam county.

EXCERPTS

FAIRVIEW 61--TINORA 56

The Apaches overcame a 33 to 30 half time deficit to pick up their Green Meadows win. A tremendous third quarter in which the Apaches outscored the Rams 19 to 7 spelled victory for the redmen. Lon Williams with 20 and Howie Ester with 11 led the Apache scoring.

FAIRVIEW 60--DEFIANCE 58

Twelve straight points in the third period was all the Apaches needed to pick up a win over Class AA rival Defiance. Gene Schubert's 17 tallies were high for the winners, while Williams and Schroeder contributed 12 and 11 respectively. The Apaches won the game at the foul line as they netted 20 charity tosses, compared to the Bulldogs' 4.

FAIRVIEW 81--PAYNE 69

The Apaches hit 28 of 34 charity tosses to crush the Payne Panthers for their sixth victory of the campaign. Willie Singer hit 19 big points in his first varsity game of the year. He followed Gene Schubert, who led the Apaches with 23 makers. Lon Williams chipped in 17 more as the Apaches raised their season record to 6 and 5.

FAIRVIEW 50--HICKSVILLE 58

A fourth quarter rally fell just short as the Apache record fell to 6 and 6. An ice-cold third canto allowed the Aces to build up a 10-point lead going into the final period. Dick Schroeder was the only Apache to dent the double-figure barrier as he gunned for 10 big tallies. Lemons and Singer were close behind with 8 markers each.

FAIRVIEW 52--BRYAN 93

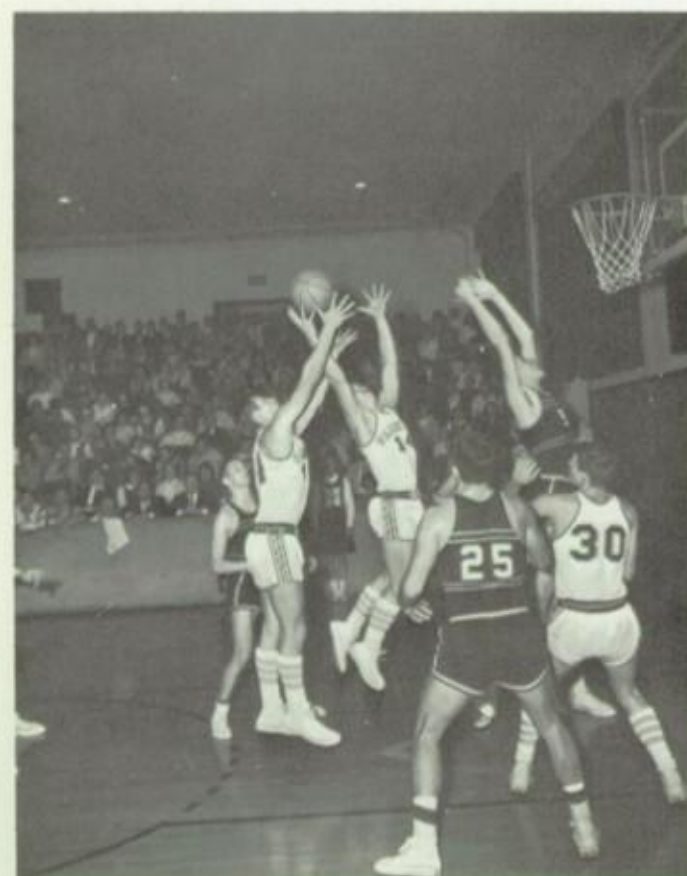

The lopsided score doesn't seem lopsided at all when you look at the Golden Bear roster. They stand 6'8", 6'6", 6'4", 6'4", etc.! Schroeder led the scoring with 14, while Williams and Goller scraped their taller opponents for 11 apiece. The only bright spot was the quick 6 to 0 lead that the Apaches opened up in the opening minutes.

FAIRVIEW 52--DEFIANCE 46

A barrage of Apache free throws (28 of 'em) buried the foul-prone Bulldogs. This was the second time the Apaches had dumped the hapless Bulldogs. Schroeder struck with 19 and Williams hit for 13 as the Apaches took home a big win to raise their overall record to 7 and 7.

FAIRVIEW 72--STRYKER 75

The Stryker Panthers got revenge for a one-point defeat handed them by the Apaches earlier in the year. A poor third quarter cost the Apaches a victory as they outscored the Panthers in the other three quarters. Williams with 23 and Schroeder with 20 put up a good fight but just ran out of time at the end.

FAIRVIEW 79--WAUSEON 93

Almost an exact duplicate of the first Apache vs. Indian encounter. The Apaches had little to gloat except a 19 to 13 first-quarter bulge which they saw melt away in the second quarter. In the disastrous second stanza the Apaches were outscored 29 to 15. Schroeder, Schubert, Singer, and English led a good offense with 17, 13, 11, and 10 markers respectively.

FAIRVIEW 65--HICKSVILLE 68

The Apaches lost a squeaker to the Aces in a game that was close all the way. A 20-17 fourth quarter enabled the Aces to win the Green Meadows tilt. The Apaches put four men in double figures in a losing cause. Schroeder's 16, Singer's 13, William's 12, and English's 10 weren't quite enough to make this an Apache win.

FAIRVIEW 67--EDGERTON 55

The Apaches had no trouble in dumping the winless Bulldogs for the second time. The Apaches rode a 52 to 35 third quarter score to their 8th victory of the year. A well-balanced scoring attack with Williams' 14, Schubert's 13, Ester's 12, Schroeder's 11, and Goller's 9 enabled the Apaches to down the Williams county crew.

FAIRVIEW 63--NAPOLEON 72

The Apaches blew a 28-27 half-time lead to lose by ten to a much-improved Wildcat team. Some great rebounding allowed the Apaches to stay close to the hot-handed Wildcats. Dick Schroeder made the most noise for the Apaches as he bombed for 13 big markers. English and Williams were close behind with 11 and 10 respectively.

FAIRVIEW 58--TINORA 49

The Apaches devastated the Ram defense in the first half to build a 37 to 19 half-time lead. A 52 to 35 edge in rebounding enabled the Apaches to ride this big lead to their 9th victory. Schroeder with 19, Williams with 11, and English's 9 tallies led the scoring. The Apaches finished the regular season with a fine 9 win and 11 loss record.

TOURNAMENT

FAIRVIEW 55--HOLGATE 74

A cold, cold start and an equally cold second quarter knocked the Apaches from tournament competition. The Apaches just couldn't get started in a game that saw 62 personal fouls. Gene Schubert with 15 and Lon Williams with 15 were the only Apaches to hit double figures. The Apaches had nothing to be ashamed of as the Tigers went all the way to the district semi-finals before bowing to Archbold.

CROSS COUNTRY

The Fairview track team ran against a variety of opponents this season. The league meet where the Apaches finished 4th in a field of 6, the Bryan Relays where Fairview tied with Liberty Center for fourth and the district meet at Montpelier proved to be the highlight events of the season. The Apaches scored 12 points in the district meet as they would up 6th in a field of 22 teams. Bruce Drum tallied 10 with a first in the 880 run and a second in the mile. Doug Hohenberger scored one point with a 5th place finish. Letter winners and their respective events are as follows:

The staff of the WARRIOR sincerely appreciates the fine cooperation of our area merchants. Without their generous contributions, it would be an impossibility for the Fairview High School to have a Yearbook. We would also like to thank our yearbook adviser, Mrs. Chaney, for her patience and effort in helping to get this yearbook published.
